Dear Parents and Carers,

Welcome back to all our families, children and staff after half term. The run-up to Christmas has begun, so please check the school calendar for dates of upcoming events.

As the weather changes, please make sure your child comes to school with a suitable coat and shoes. For everyone's safety, please do not park on the zig-zag markings outside the school gates.

Please label all clothing and belongings, and check that anything your child brings home belongs to them; items taken home by mistake should be returned to school, several coats are currently missing from the cloakrooms.

Finally, squishy sensory toys and other toys from home must not be brought into school. A squishy toy brought from home recently burst in a child's face, so this is an important safety measure. Children with an identified sensory need and a sensory assessment will be provided with appropriate sensory resources in school by the SENCO.

We look forward to sharing a happy and exciting run-up to Christmas with you and your children.

Warm regards,

Mrs Clark
