We have had a fantastic start to the term and would like to share some of the wonderful things happening across school;

In Year 4 pupils are making excellent progress in their swimming lessons. They have shown great enthusiasm, confidence and determination in the pool, and we are very proud of their achievements so far.

A big thank you to our Year 6 pupils, who have taken responsibility for delivering recycling bins to classrooms around the school. This initiative is to collect plastic bottle lids, exchanging them for Earth tokens which we can use to buy outdoor furniture made from the bottle lids we collect, helping us all to be more environmentally conscious and supporting our commitment to looking after our planet.

Across the school, all children are working hard to improve their handwriting. We are encouraging pupils to take pride in their presentation and develop a neat, fluent handwriting style. We continue to promote the use of Mathletics and Reading Eggs as part of our home learning provision. Children can earn certificates through regular participation, which are presented during our weekly Praise Assembly. It was wonderful to see so many children receiving awards this week for the fantastic learning they completed over the holidays. Well done to everyone who earned a certificate!

A reminder for parents and carers that children should not use the climbing frames and playground equipment after school for safety reasons. Although we appreciate that children enjoy playing together at the end of the day, these areas are not supervised once the school day has finished.

We look forward to welcoming Mrs Clark back into school over this half term. Please say a big hello when you see her.

Thank you for your continued support.

Warm regards
Mrs Spalding
