Dear Parents and Carers,

It's wonderful to be able to share some positive news with you this week.

Our Harvest Festival was a great success. We were delighted to welcome Revd Neil, who joined us for the celebration. Thank you to all families for their generous donations. We were overwhelmed by the kindness shown, and the donations have now been distributed throughout the estate to support members of our community.

A big thank you also goes to everyone who supported our Halloween Disco. The event was a fantastic evening enjoyed by the children and has helped to raise money for the school fund, which will benefit pupils across the school. Many thanks to our neighbours at NPL Community Centre for their help too.

We would also like to thank the parents and carers who attended our recent Ofsted meeting. It was a valuable opportunity to listen to your views and concerns, and to share the work already underway to address the areas identified in the report. We are continuing to make improvements in behaviour, leadership and management, and Early Years provision. We are particularly pleased to share that two existing members of staff, Mr Murray and Mrs Pierrepont, have joined our senior leadership team and two new teachers will be joining our Early Years team very soon, strengthening our provision for our youngest learners.

Thank you for your continued support as we work together to provide the very best education for all of our children.

Warm regards,

Mrs Clark

Notice from K&A Sales

"I am writing to you today to share an important update regarding K and A Sales and to clear up some incorrect rumours circulating in the community. Please be assured that our shop is not closing down. We are fully open, operating during our usual hours, and completely committed to serving your school, students, and parents just as we always have.

We have recently made the decision to put our business up for sale. After many wonderful years, we are looking for the right buyer to take over the reins and continue running the shop. Until that transition happens—which we expect to be seamless—it is strictly business as usual for us. Your continued support means the world to us."
